NOVEMBER NIGHTS TASTING TRAIL

13.11.24

7.30PM

Join us this Wednesday, 13th November, from 7.30pm as we host the first in the series of November Nights in collaboration with Black's of Kinsale Distilling and Three Cents.

There will be tastings, drinks specials, creative knowledge, and maybe a few cheeky prizes up for grabs too!

This event is open to everyone and we'd strongly recommend our industry friends to come along and sample some of the tasty creations the folks at Black's of Kinsale Distilling and Three Cents have created specially for the night.

Hope to see you there!
